## *Invitation*

Once more we invite you to Maxwalton Farms where good Scotch Shorthorns have been produced for a third of a century. On the occasion of this 1943 auction, we are proud to be associated with Mr. & Mrs. Ernest M. Sims who are consigning seventeen choice young animals from their Elcona Herd at Elkhart, Indiana. Being familiar with the high quality of the Elcona Herd foundation and with the modern, healthy methods used in the development of this herd, we are glad indeed to recommend their cattle right along with our own.

We do not ever praise Maxwalton cattle beyond their real merit. Those who are familiar with the development of the Shorthorn breed in this country are fully aware that Maxwalton bred bulls and females have been included in the foundations of the strongest herds in all states.

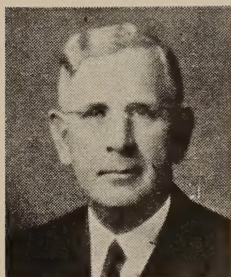

We believe that the cattle included in our 1943 sale are better than any heretofore offered in a Maxwalton auction. It is our hope that you will attend the sale and that you will spend enough time with us to really become familiar with every animal in our large and widely known breeding herd. Such a visit from you, whether you buy or not, will be a pleasure to us and, we hope, to you.

These Great Sires  
are Responsible for the  
Top Quality  
of the Maxwalton  
Sale Offering . . .

*This is Maxwalton Alert, the son of Broundale Cumberland that was retained for service in the Maxwalton Herd. After winning first prize at the 1939 International, he was retired to the breeding herd where he has sired calves of excellent type and quality. Many of them are listed in this auction.*

Maxwalton Souvenir topped our 1941 sale, going to Dr. E. S. Findlay of Mansfield. We retained a half interest and he has been used liberally at Maxwalton and his get and service will be a feature of this sale. Browndale Souvenir is a son of our noted sire Browndale Conqueror and his dam is a beautiful rich red cow by the Congress champion Melba Minstrel. His dam's dam was sired by the International junior champion Calrossie Lord Rothes (Imp.) and was out of the Duthie Webster bred Collynie Fairy Ring (Imp.).

Maxwalton Nonsuch, top bull in our 1940 sale but now owned by us in conjunction with Glenn Leigh Farm, Mansfield, Ohio. He has proven a great sire and this sale contains several of his get that we know all visitors will like. Maxwalton Nonsuch is the best bull that was calved in 1939. He is richly bred in Browndale blood, his sire being our noted Browndale Conqueror and his dam being by the famous Browndale Captain by Browndale Count. He inherits the best characteristics of the Browndale dynasty.

Klaymor Extra has brought new blood to Maxwalton and he has proved a real improver. His sire is the famous Collynie Royal Barrage. The dam of Klaymor Extra is by the great Millhills Ransom (Imp.), next to Collynie Royal Barrage the greatest sire that has been used in Canada in recent years. This sale will include several choice animals sired by Klaymor Extra.

*Browndale Cumberland 1883723, an International junior champion that exerted a potent influence on the breed through his use at Maxwalton Farms. His sire was the famous bull Browndale Pilot. His dam was a beautiful daughter of Browndale Star.*

**These two sires have made Shorthorn history not alone because of the high quality of their get produced at Maxwalton Farms but because these same calves have worked steady improvement in the herds of all who have owned them.**

*Browndale Conqueror 1912614, sire of the first prize "Get" at the leading shows in 1941. His sire was Browndale Pilot and his dam was a daughter of Browndale Star and of the same famous Lovely family that produced Browndale Cumberland. These two great bulls were bred identically and through their use at Maxwalton, the most pre-potent blood of the breed was intensified.*

Maxwalton Randolph is the "Opportunity Bull" of the year. He is a son of Maxwalton Alert, first prize at the International Livestock Show in 1939 and he looks exactly like his grandsire, Browndale Cumberland, that won junior championship at the International in 1937. His dam is a beautiful type of young cow, dark roan in color, and a daughter of Kalarama Archer by Browndale Thistle. She has produced two very choice heifers, both of which are in the herd. This is her first bull calf. From his wonderful head all the way back to his marvelous quarters Maxwalton Randolph is the best bull ever offered for sale by Maxwalton Farms. Study his picture. Isn't this the bull you have been seeking?

Maxwalton Observer

*Maxwalton Observer — Here is a bull that will appeal to the real cattleman. He is a perfect block in his makeup, has a marvelous spread of rib, a grand head and stands on short, sturdy legs. He is a perfect colored dark roan. His beautifully bred imported dam is dark roan in color and a very heavy milker. If you want a real breeding son of the noted Browndale Conqueror, buy this one. Maxwalton Shylock

*Maxwalton Shylock — This dark red son of Browndale Conqueror is out of a beautiful young red cow and she, in turn, was out of Imp. Roan Rosewood 27th, bred by William Anderson. He is very level and true in his lines, exceptionally smooth in his fleshing and has a grand head. We like the way this bull carries his width all the way back. He has the balance that is so important in a really good stock bull.*

*Carobill Command*

*Carobill Command — When we bought the entire Copley herd last Spring, we secured this good coming two year old son of Imp. Edellyn Command. He is out of a direct daughter of the International grand champion Sultan Browndale and his granddam was an imported daughter of Bapton Boxing Day. He isn't in as high flesh as some of the other bulls because we haven't had the proper time to prepare him for sale. However, he is very masculine, level, blocky and short legged. Some good breeder can make a real name for himself by using this grandson of the noted Calrossie Command.*

*Maxwalton Comrade—Because we are getting such marvelous calves through the use of Maxwalton Souvenir, we feel that we can recommend his sons very highly. This one is a solid dark red and one of the shortest legged and blockiest bulls in our offering. He has responded beautifully to feed and carries a thick covering of very smooth fleshing. He represents a strong blood combination, being out of a daughter of the International grand champion Campbell's Command.*

*Maxwalton Gold Standard*

This is the outstanding tried sire that will be sold in this sale —

and this is one of his calves. We will show you some more of them on sale day —

*Maxwalton Jilt C*

## Who will be the fortunate new owner of this great tried and proven sire?

*On the opposite page you will find a picture of Maxwalton Gold Standard and a picture of one of his calves. On sale day you will have the opportunity to inspect other choice calves sired by him. Maxwalton Gold Standard will be sold in this auction. We secured this bull when we purchased the entire Carobill herd and if it were not for the fact that we own a half interest in his half brother Maxwalton Souvenir, we would never offer him for sale. Maxwalton Gold Standard won first prize as a calf at the American Royal Show. He is a marvelous individual in his mature form and his calves are proof that he is one of the top young sires of the breed. We believe him to be just as valuable as his half brother, Maxwalton Souvenir, and we consider this latter bull to be one of the greatest ever in service at Maxwalton Farms. Maxwalton Gold Standard is only three years old. The attention of breeders everywhere will be focused on his new owner. Seldom are such valuable young sires ever exposed for sale.*

**Maxwalton Czar 2d**—This all red son of Browndale Conqueror, a very stylish, blocky, good headed bull, is out of a cow that has been a wonderful producer. Her first calf was Maxwalton Superb, the bull that has made such a good breeding record in the Illinois herd of Ben Lake. Her second calf was Maxwalton Red Baron whose calves have been topping Iowa consignment sales for Urice Bros. Her third calf was a beautiful heifer that sold to Tudor Bros. at \$600.00. All have been dark colored calves. This bull should do well for his new owner.

*Maxwalton Broadhooks S*

*Maxwalton Broadhooks S — This beautiful red daughter of Maxwalton Souvenir is a show beifer from head to foot. She is out of a daughter of Klaymor Benefactor by Imp. Collynie Royal Barrage. We like her quality, character and style. As her picture indicates, she is very compact, blocky and short legged. She was the first calf sired by Maxwalton Souvenir and is typical of all his calves.*

The cow is a granddaughter of the twice International grand champion Divide Sensation and she was one of the tops in the Carobill herd. Her senior yearling daughter will also sell in this sale and she is a good one. Bess Cumberland 7th sells with a perfectly marvelous show heifer calf at foot born Feb. 18, 1943 and sired by Maxwalton Gold Standard. She was re-bred June 3d to Maxwalton Alert. When you see this pair, you will certainly want to own them and you will realize that Maxwalton Gold Standard is an outstanding sire. Don't forget that Maxwalton Gold Standard also sells in this sale.*

*Earl Purdy, the capable manager, resides in this attractive home at Elcona Farms, Elkhart, Indiana.*

*The following seventeen animals  
are consigned by . . .*

## **ELCONA FARMS ELKHART, INDIANA**

**Mr. and Mrs. Ernest M. Sims, Owners**

**Earl Purdy, Manager**

*Each animal in this group was produced through the mating of a top sire with a top female. Each has the inherent ability to reproduce unfailingly.*

*None but the best  
are housed in the  
comfortable barns  
at Elcona Farms.*

*A quartet of perfectly formed individuals sired by the many times grand champion Sni - A - Bar Royal Baron. All four were sold in our 1942 auction and are now making good in the herds of their new owners. More like them are to be sold in this auction.*

Fortunate indeed for prospective buyers is the arrangement that allows the Maxwalton and Elcona productions to be offered in the same auction sale because such an event represents the finest cattle of the breed and the finest men of the breed. The two herds are alike in that all calves are produced from the matings of choice specimens and the owners of the two herds are alike in their desire never to sell anything that will fail to prove an improving influence in the herd of the new owner.

I was greatly impressed with the cattle that are to be sold in this sale on the occasion of my recent inspection. They are the kind that wear their pedigrees on their backs. Every animal in the sale is of the type most admired by critical judges and nearly every animal in the sale displays show ring conformation. A glance at the pedigrees in this catalog will convince anyone that Shorthorns of such rich ancestry are seldom exposed for sale and an inspection of the cattle on sale day will cause visitors to agree with the writer that the cattle are just the kind that could be expected from such strong pedigrees.

I do not believe my sincere admiration and liking for the owners of these two great herds has caused me to be warped in my opinion of their cattle. Having studied the sources of supply for good seed stock rather carefully over a period of a good many years, I realize that some places provide better buying opportunities and a greater measure of safety than others. I think that Maxwalton Farm, under the guidance of Wallace Campbell and Ernie Hartman and Elcona Farms, under the guidance of Ernie Sims and Earl Purdy, are among the best.

#### HAL LONGLEY of The Shorthorn World

*An outstanding group of Elcona brood cows. From left to right: Rosalie Ransom, Lady Rosewood 29th, Imp. Pitpointie Princess Royal 14th, Raveni Augusta 29th, Divide Belle 11th, and Princess Royal 70th.*

*All that we had hoped for is true in the calves by SNI-A-BAR ROYAL BARON. Those important characteristics that won highest recognition in three years of showing have been passed on to his calves. And that these calves in turn will be even more certain to work improvement in the herds of their new owners is assured through the fact that each is out of a female that was capable of topping the sale of a noted breeder.*

*Sni-a-Bar Royal Baron 1929067 by Sni-a-Bar Crown. Many times a first prize winner as a calf and yearling, undefeated in class as a 2 year old at all major 1940 shows including the International and American Royal, and grand champion at the Ohio, Indiana and Kentucky State Fair. Chief stock bull at Elcona Farms.*
